FOR IMMEDIATE RELEASE

**FIRE AT KUALITI ALAM WASTE MANAGEMENT CENTRE UNDER CONTROL
No injuries and fatalities**

SEREMBAN, February 27, 2015 — The fire which broke out at Kualiti Alam Sdn Bhd at 1.50 pm today has been brought under control with all staff accounted for and there have been no injuries or casualties.

The fire that started at the off-loading area of the plant, did not cause any major damage to the facility. The fire was brought under control by 4.30 pm.

Emergency response procedures were immediately put into action by Kualiti Alam Emergency Response Team while Seremban Fire and Rescue Department attended the site.

The cause of the incident is yet to be determined and we are currently working closely with Fire and Rescue Department, Department of Environment, Department of Occupational Safety and Health (DOSH) and the police to determine the cause of the fire. A full investigation is already under way.

We are also working with the authorities to undertake a detailed inspection and ensure the safety of the facility before we commence operation as well as to safeguard the wellbeing of nearby communities.

The Fire and Rescue Department will announce the cause of the incident and any precautionary measures related to the incident.
